The account executives of the Marine Division

Your account executive is responsible for managing the policy itself, handling your claims, and recovery from third parties. This global approach gives us a thorough understanding of your business and the key issues involved.

TSM Marine Division stands for secure and efficient marine insurance covering your commodity trading

Outsource your insurance administration to us – because we will help save you time!

Share your risk information with us – because you buy insurance for transferring your risks to us!

Get regular, detailed reporting on your marine risks from us – because this can help you manage your costs!

Ensure the quality of your marine insurance cover by leaving the drafting of your certificate to us – because then we guarantee the security of your policy!

Discuss your marine risk concerns with your dedicated account executive in the Marine Division – because we are involved in your business every day!
